Re: Item 6.1, March 31, 2015 Council agenda: proposed development agreement extension for 575 E. Middlefield Road redevelopment

Honorable Mayor and Members of the City Council:

In looking at this item, we were struck by the fact that this concerns a Transit Oriented Development (hence the 2010 requirement for a bicycle trail along the east side of the property). There is now a MVGo shuttle stop right in front. We submit that the revised development agreement should require that the building owner (?) join the TMA, as well, in return for extension of this agreement.

Thank you for your consideration of this suggestion.

Sincerely,
