Re: Agenda Item 7.2, Regional Transportation update

Honorable Mayor Showalter and members of the City Council:

The Mountain View Coalition for Sustainable Planning (MVCSP), a group of Mountain View residents concerned with the sustainability of our city, would like to comment on the above item.

We greatly appreciate Council and Staff's extensive work on these issues. Please support a sales tax allocation structure that will make reducing VMT, and improving mobility and connectivity for everyone, the primary goals.

Thank you for receiving our comments.

Sincerely,
